

Experiment 5: Design Zero-shot, One-shot, and Few-shot Prompts to Generate a Promotional Social Media Post for an AI Workshop

Aim

To implement Zero-shot, One-shot, and Few-shot prompting techniques using the OpenAI API to generate a promotional social media post for an AI Workshop.

Python Code:

```
from openai import OpenAI

# Paste your OpenAI API Key here
client = OpenAI(
    api_key="sk-proj-
fXs9TwmdiZQU9td92kDIe9wACeeq8S0wsiGwQRfrbEoJq4VGPLU1Np74KCiiODIH8_C
oBWZp8nT3BlbkFJBjvFWrf8sOhvLZ7zO3YVr2MDh2NeIM42jru5-
z2nctrTGHuEgdMAYbFx2lo34b4CY-q8ffMBkA"
)

# ----- Zero-shot Prompt -----
zero_shot = """
Generate a promotional social media post for an AI Workshop.
"""

response = client.responses.create(
    model="gpt-5.4-mini",
    input=zero_shot
)

print("===== ZERO-SHOT POST =====")
print(response.output_text)

# ----- One-shot Prompt -----
one_shot = """
Example:

Join our Python Programming Workshop!
Learn Python basics, hands-on coding, and exciting projects.
Date: 10 August
Venue: ABC College
Register Now!

Now generate a promotional social media post for an AI Workshop.
"""
```

```

response = client.responses.create(
    model="gpt-5.4-mini",
    input=one_shot
)

print("\n===== ONE-SHOT POST =====")
print(response.output_text)

```

```

# ----- Few-shot Prompt -----
few_shot = """
Example 1

```

Join our Data Science Workshop!
 Learn data analysis, visualization, and machine learning.
 Limited seats available!

Example 2

Attend our Cyber Security Workshop!
 Explore ethical hacking, network security, and cyber defense.
 Register today!

Now generate a promotional social media post for an AI Workshop.
 """

```

response = client.responses.create(
    model="gpt-5.4-mini",
    input=few_shot
)

print("\n===== FEW-SHOT POST =====")
print(response.output_text)

```

Output

===== **ZERO-SHOT POST** =====

 ****Unlock the Future with AI!****

Join our ****AI Workshop**** and discover how artificial intelligence is transforming the world. Whether you're a beginner or looking to sharpen your skills, this workshop will give you hands-on insights, practical tools, and expert guidance to help you stay ahead.

💎 ****What you'll learn:****

- AI fundamentals made simple
- Real-world applications
- Tools and techniques you can use right away
- Tips to boost productivity and innovation

****Date:**** [Insert Date]

****Location:**** [Insert Location]

****Reserve your spot today!****

#AIWorkshop #ArtificialIntelligence #AIEducation #TechSkills #FutureOfWork #LearnAI

===== **ONE-SHOT POST** =====

Join our AI Workshop!

Discover the basics of Artificial Intelligence, hands-on learning, and real-world applications.

Date: 10 August

Venue: ABC College

Register Now!

===== **FEW-SHOT POST** =====

Join our AI Workshop!

Discover the fundamentals of artificial intelligence, machine learning, and real-world applications.

Seats are limited—register today!

Result

The Zero-shot, One-shot, and Few-shot prompting techniques were successfully implemented using the OpenAI API to generate a promotional social media post for an AI Workshop. The generated posts were compared based on creativity, clarity, engagement, and completeness. The Few-shot prompt produced the most engaging, well-structured, and informative promotional post among the three prompting techniques.
